

Family, Youth & Children at Christ & St. Luke's

We want all children to know that they are welcome here, and that we are dedicated to facilitating and nurturing their spiritual growth and development. Our programming includes a special, engaging worship service for children and classes for all ages. We offer childcare for under-threes and specialized groups for older children. Children can also enjoy our worship bags if they are in "big church," which are filled with quiet activities designed just for them.

Interested in Baptism?

Baptism is a chance for the church community to surround those being baptized in love, support, and fellowship. Parents and godparents commit to raising the child in the way of Christ, and the whole community pledges its support.
